PROFESSIONAL SUMMARY

Product design student at Strate School of Design, Bangalore, with hands-on experience in branding, graphic design, social media content strategy and UI/UX. Skilled in Figma, Adobe Photoshop and Rhino 3D, with practical experience in visual identity development, campaign creative production, design research and prototyping across digital and spatial projects. Comfortable working independently and in cross-functional teams, from concept sketching through to final production-ready assets.

WORK EXPERIENCE

Branding & Marketing Intern

Internship at Seller Circle
JUN 2026 — AUG 2026

Produced high-fidelity visual assets and campaign creatives for marketing campaigns, applying brand guidelines across digital and social media deliverables in Adobe Photoshop and Figma.

Content Strategist & Event Coordinator

Kothanur Run Club
MAR 2025 — PRESENT

Developed and executed social media content strategy for an audience of 11,000+ followers, planning content calendars and creating branded graphics. Coordinated event logistics and stakeholder communication for large-scale community meets, including one of Asia's largest run club events.

Design Workshop Assistant

Strate School of Design
YEAR 1

Fabricated physical design prototypes for the SIAM design competition in collaboration with the graduating cohort, operating industrial machinery and power tools to production-standard tolerances.
